Fine Art Framing presents the

# Vernacular Photography Post-Sale Catalog 2018

Each year we collect and frame a group of vernacular photographs: extraordinary images of ordinary people, places, and things taken by unknown photographers. We offer these unique objects in annual sale on the first Saturday of each December. We have created this post sale catalog for those of you who were not able to attend the sale. As of December 2, 2018, all of the framed photographs in this catalog were available.

Please contact Richard at Fine Art Framing to confirm availability. All prices include framing. Arizona residents pay 8.1% sales tax. Shipping is available to any destination in the USA. You may see these photographs at Fine Art Framing, but because the work may be on display elsewhere, it's best to arrange viewings of specific photographs a few days in advance. For those of you who are unable to inspect the photographs, please rest assured that if you are unhappy with your purchase for any reason, you may return it for a full refund.

Thank you for your interest.
